WEST CENTRAL SANITATION

West Central Sanitation was started over 25 years ago by Don Williamson with the goal of providing great service and stable prices at competitive rates. Twenty five years later our goals remain the same. We are currently serving 10 counties and earning new customers every day.

West Central Sanitation continues to be a locally owned, family run business. We're big enough to meet any waste needs yet small enough to know our customers.

Our new tire recycling service offers a variety of different options. Everything from enclosed containers to loose collection.

We want to service you. Let us know how we can meet all of your tire disposal needs.

Our friendly staff is ready to assist with any questions.

Please call us at **1-800-246-7630**
